Silver Anniversary Theme Of Annual Fiesta Sunday

Special plans for the celebration of the silver anniversary of the annual Family Fiesta on the grounds of the Passionist Fathers Mater Dolorosa retreat house at 700 N. Sunnyside, were announced today by Father Joel Gromowski, C.P., Retreat Director.

Beginning at 12 noon, Sunday, June 25, the free admission gala family event will continue until 7 p.m.

The first Fiesta took place in 1947 as a day of recreation and entertainment for members of the Laymen's Retreat League, their family and friends. Now open to the general public, more than 20,000 are expected to attend this year's special silver anniversary affair.

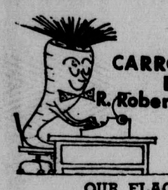
An authentic early California ranch barbecued beef dinner will be served all afternoon, with a special price reduction for the early bird dinner from noon to 1 p.m. Other fiesta highlights will feature free dance band entertainment, a traditional carnival midway, and nominally priced kiddie rides on a ferris wheel and ponies.

This is the one day of the year that the doors of Mater Dolorosa retreat house are open to the general public. Guided tours will be conducted, where annually more than 4,000 men, married couples, and high school students from all parts of southern California gather for weekend retreats.

Free parking for more than 5,000 cars with a continuous shuttle-bus service to and from the fiesta area and retreat house will be provided.

For the past 25 years this annual fiesta has been sponsored by the Mater Dolorosa Laymen's Retreat League.

THIS IS THE GROUP that will present "Show Me" at the Bethany Church on Sunday, evening, June 25th at the hour of 6 P.M. The public is cordially invited to attend this presentation which is absoluely free, but a free will offering will be taken for the group.



OUR FLAG

F is for the Freedom, we are given,
L is for the land that we love.
A is for the word "America" we are proud of,
G is for the goodness that comes from above.

— CT —

Some people call me Old Glory, others call me the Star Spangled Banner but whatever they call me I am your flag of the United States of America. Something has been bothering me so I thought I'd better talk it over with you because it's about you and me.

— CT —

I remember some time ago people lined up on both sides of the street to watch a parade and naturally I was leading every parade, proudly waving in the breeze. When your Daddy saw me coming he immediately removed his hat and placed it against his left shoulder so that his hand was directly over his heart. Remember?

— CT —

And I remember you standing there straight as a soldier. You didn't have a hat but you were giving the right salute. Remember your little sister? Not to be outdone, she was saluting the same as you with her right hand over her heart. Remember?

— CT —

What happened? I'm still the same old flag. Oh, I have a few more stars since you were a boy. A lot more blood has been shed since those parades of long ago.

— CT —

But I feel as proud as I used to when I start down your street. You first stand there with your hands in your pockets and I may get a small glance and then you look away. Then I see children running and shouting. They don't seem to know who I am. I saw one man take off his hat, then look around. He didn't see anybody else with theirs off so he quickly put his back on.

— CT —

Is it a sin to be patriotic today? Have you forgotten what I stand for and where I've been? Guadalcanal, Korea and now Vietnam. Take a look at the Memorial Honor Rolls sometime. Of those who never came back to keep this republic free, one nation under God! When you salute me you are actually saluting them.

— CT —

Well, it won't be long until I'll be coming down your street again. So when you see me, stand straight, place your right hand over your heart and I'll salute you by waving back. Then I'll know that you remembered.

— CT —

A Scotman asked the bank for a loan of a dollar and was told he'd have to pay four per cent interest at the end of the year. For security, he offered $60,000 in U.S. bonds. The bank accepted the bonds and gave the man the dollar.

At the end of the year the Scotsman was back with a dollar and four cents to clear up his debt and asked for the return of his bonds. Upon returning them the banker remarked, "I don't want to be inquisitive but, since you have all those bonds, why did you have to borrow a dollar?"

"Well," said the Scot, "do you know of any other way I could get the use of a safety deposit box for four cents a year?"

— CT —

Teacher: "What are the leaders of Indian tribes called?"

Student: "Chiefs."

Teacher: "Right, and what are their women called?"

Student after much thought: "Mischiefs."

— CT —

Every time the government shifts a little to the left, the decimal point in taxes and national debt shifts to the right.

— CT —

Great people talk about ideas; ordinary people talk about things; small people talk about other people.

— CT —

"THE OTHER FELLOW"

"When the other fellow

Tom Schwartz Passes Away On Tuesday

City Treasurer Thomas M. Schwartz, passed away suddenly Tuesday afternoon at his home 287 E. Montecito.

Well known locally Tom, a former owner of the Sierra Madre Hardware, had served the city in many capacity and had taken an active role locally since first arriving here from Germantown, Pa., in 1910. He was first elected to the Sierra Madre City Council in 1938 and served until 1946. During that time he served two terms as mayor 1942 to 1943 and again from 1945 to 1946.

In 1953 he served as Deputy City Treasurer until 1962 when he was named City Treasurer, a post he held continuously up until the time of his death.

During the war years Mr. Schwartz helped to mobilize the community and served in the U.S. Navy from 1938 to 1946. He also served many years on the local volunteer fire department.

Funeral arrangements are pending at this time.

Wheaton College Graduates Sierra Madrean

Timothy Phillips, 600 N. Hermosa, received the bachelor of arts degree with a major in philosophy at the 113th June commencement of Wheaton College, June 12. He is the son of Mr. and Mrs. W. Ross Phillips.

Dr. Robert N. Thompson, member of Parliament of Canada, spoke to the graduating class. He was awarded a doctor of laws degree during the commencement ceremonies.

Dr. Hudson T. Armerding, Wheaton College president, conferred the 299 baccalaureate and 45 masters degrees.

Phillips is a graduate of Pasadena High School.

Wheaton is a co-educational liberal arts college of 1800 students which combines high scholastic standards with conservative Christian faith and practice.

Baton Twirling Classes Set For All Age Groups

An exciting new program of baton twirling is now being offered at the Sierra Madre Recreation Department. The instructor, Penny Mays is from Kansas. She recently went to Spain for the International Twirling Teachers Institute. Penny has taught twirling for seven years, winning many trophies. Her students have also won many awards. She has been a solo twirler for three years and twirled at the Indy "500."

As a parent, you might be interested to know that baton twirling is now America's fastest growing youth movement. Presently, it is

ATTENTION!!

Dear Resident:

Sierra Madre is facing a growing health and nuisance problem caused by the large number of dogs roaming the City, and we are appealing to dog owners to help control the problem.

Last year 48 people in the City were bitten by stray and unleashed dogs. Most of the victims were children, and two had to undergo the painful and dangerous anti-rabies treatments because the animals could not be located. This summer the animal problem will be particularly dangerous because wild animals from the mountain area are coming into the City in search of food due to the lack of rainfall last winter. These animals are highly susceptible to rabies, and the chance of an outbreak of the disease is a serious threat to the community.

In addition to the bite problem, loose dogs are a constant source of irritation to many residents. One of the most common complaints is that some owners let their dogs out to use their neighbor's property as an exercise area. Although most people like animals, no one likes to pick up after some one else's pet! This situation also is creating a sanitary problem in our parks and on our school grounds.

We also would like to remind dog owners that many people, particularly small children, are frightened of animals and a loose dog approaching them is seen as a real threat. We also receive many complaints of dogs dumping trash cans in search of food and creating a traffic hazard by running in the streets.

Sierra Madre has a leash law which is enforced by the Humane Society. They are doing their best to control the problem, but the situation is getting out of hand, and we are asking that all dog owners voluntarily comply with the ordinance. We do not want to spend additional tax money for extra enforcement services when the problems can be resolved by common courtesy and consideration for others in the community.

We know the residents of Sierra Madre always work together to solve community problems once a need is identified. PLEASE DO YOUR PART BY KEEPING YOUR DOG IN AN ENCLOSED YARD OR ON A LEASH. I am sure it will be appreciated by your neighbors and the rest of the community.

Thomas C. Kendra
Chief of Police

United Drive Exceeds In Sierra Madre

A total of $6287 was contributed by Sierra Madre to the 1972 United Crusade Residential Campaign, according to Mrs. Claude H. Brown, Jr., campaign chairman.

"Our final accounting, made after the last of our late contributions which traditionally come in at the end of the campaign, showed that we exceed our adjusted goal for the 1972 campaign," reports Mrs. Brown. "For this, I thank the many families and individuals in Sierra Madre whose generosity helped us carry on the outstanding results achieved for so many years under the chairmanship of Lucy Young. Many families in Sierra Madre will be the beneficiaries of this generosity through the services offered by United Way agencies and Red Cross chapters throughout Los Angeles County."

The campaign was conducted primarily by mail in an experimental effort to achieve 100 per cent cover-

Mattress Sale At Brown's

Many of us only have chances of a "Life Time" once in our lives, but Sierra Madreans are having a second chance at a bargain that generally only comes "Once in a Lifetime."

Over a year ago Brown's Furniture, under the capable ownership and management of Mr. and Mrs. Jim Brown were able to purchase a "carload" of high quality mattresses to be offered at a very low price to their customers. The carload was in various sizes, but before the first week had expired many of the sizes had been claimed, and it was a very short time until ALL of these specially purchased mattresses had found very happy and satisfied families.

Mr. and Mrs. Brown thought that this would be the last time that Sierra Madreans would have an opportunity such as this, but lo and behold, the factory notified Brown Furniture that AGAIN the latter part of June this outstanding of-

History Lists Local People

For the first time in many years a comprehensive history of the Pasadena area —including Sierra Madre, Altadena, San Marino, and South Pasadena — has been prepared and is now available in a limited edition to the general public.

An advisory board of Pasadena area citizens who are serving voluntarily with no compensation and who have no financial interest in the history has sponsored the publication of an outstanding cultural heritage history of the area which includes 450 pages covering the past 400 years and the biographies and pictures of over 200 citizens and organizations. Elmer W. Smith, honorary editor of the history, is the husband of Matilda Smith, who was the music supervisor in the Sierra Madre Elementary School District for many years.

Heflins Buy 89.5 Acres In Sierra Madre

It was reported this week by the Jay Yeats Realty Company that all of the open land of the old P. N. Lannan Ranch from the boundaries of Santa Anita on the East to Camillo on the West and to the Angeles Forest on the North had been sold.

The open acreage was listed at 89.5 acres and was sold to Mr. and Mrs. Mike M. Heflin of 585 North Hermosa Avenue in Sierra Madre.

The land was purchased from Jean and Marguerit Liliane, with escrow closing last week. The Heflins plan to build an estate home in the vicinity of the olive grove on the property and keep the balance of the land in its natural condition. The transaction was handled by the Yeats Company and was sold by Doug Delahooke of the Harry A. Lange and Associates. This was the largest piece of open land remaining in the city.

Mrs. Van Siclen Now Principal

The school board and vestry have unanimously approved the appointment of Mrs. Margaret Van Siclen as principal for the 1972-73 school year.

This announcement was made to the school staff at a special meeting held immediately after the school closing ceremonies on June 15th.

Bethany Church Sponsors Concert Folk Rock Musical

A Christian Love and Concern Folk Rock Musical will be presented at Bethany Church, 93 N. Baldwin, on Sunday evening, June 25th at 6 p.m. This musical is about a boy who is caught between two opposing forces. In pitched battle both sides get a look at their hypocrisy. This is a regular dramatic play with multi-media and sound track with orchestra background.

It will be performed by the College Youth of Bethany Church of Alhambra under the direction of Mr. Ron Hood. The choir has toured over 10,000 miles in two years and has sung extensively in Southern California.

The public is cordially invited to attend this presentation at the church. A free will offering will be taken for the group.

Two Eagle Scouts From 374 Given Court of Honor

Two Eagle Scout presentations highlighted the Court of Honor of Troop 374, sponsored by the Trinity Presbyterian Church, and held at the Council auditorium on North Rosemead Blvd.

The Patrol Entrance and Presentation of Colors was lead by SPL Ned Steffens, and followed with the invocation by IR Jim Lonborg. A welcome to the large group present was made by advancement chairman, Stu Bremner, and introductions were made by Committeemen Bill Worden and Lou Dickson.

Scoutmaster Arden Albee conducted a Tenderfoot Investitute for Peter Connell, Jeff Johnson, and Chipper Leep. District public relations chairman, Ed Wagner, chaired the rank advancements, with committeeman Bob Richards giving Second Class awards to Ian Alper, Peter Connell, Ray Endacott, Donovan Nichols, John Nyberg, Bob Richard, and Jeff Richard. Committeeman Casey Endacott presented Star Scout awards to Leonard Bremner and Gary Segal, and committeeman David Orswell presented Life Scout awards to James Albee, Robert Hull, and Ned Steffens.

ASM Chuck Hall presented merit badges to James Albee, Karl Bowman, Kirk Bowman, Leonard Bremner, Steve Davis, Kevin Dunn, Victor Harris, Robert Hull, Bill Lonborg, Bill Rosskopf, Dan Sedenquist, Gary Segal, Jeff Segal, and Ned Steffens.

Marcus Woodward, district advancement and awards chairman, conducted the Eagle Court of Honor, at which Karl Bowman received his Eagle Badge from former Scoutmaster Jack Washburn, and Jeff Segal received his Eagle Badge from former Scoutmaster Don Davis. The boys' parents and all Eagle Scouts present were participants in the presentation.

After acknowledgement by Scoutmaster Arden Albee, the benediction by Jim Lonborg, and the retirement of the colors, an enjoyable reception with "Eagle Scout Cakes" pleased everyone present.

TelePrompTer Chief Endorses Court FCC Ruling

Raymond P. Shafer, chairman and chief executive of TelePrompTer Corporation, New York, in a recent press statement has endorsed the Supreme Court's five to four vote upholding the 1969 Federal Communications Commission rule requiring cable television systems with at least 3,500 subscribers to originate programming.

Shafer said the court's confirmation of the "FCC's broad regulatory authority in the cable TV field" is considered "essential to the orderly development of the medium in the best public interest" and is "an affirmation of cable TV's potential for dramatic growth."

The former Pennsylvania Governor explained that his company has voluntarily continued local origination programs in more than 80 of its systems, some smaller than the 3,500 minimum established by the FCC rule.

He added, "We have done so because we believe the origination of programs and other non-broadcast services is one of the foundation stones of cable television's continuing growth as the

Open 9 A.M. to 1:30 P.M.

Community Hosp. Opens New Cafeteria To Public

The 35 bed Extended Care Wing of the Sierra Madre Community Hospital, which more than doubles its former patient capacity, now offers an additional service to the general public which has met with a warm and cordial welcome. The Extended Care Wing newly built kitchen now offers to the general public a completely modern cafeteria between the hours of 9 a.m. and 1:30 p.m., five days a week, Monday through Friday, holidays excepted.

The food served offers a tempting choice of breakfast and luncheon menu. There are 20 seats in the dining room for accommodation of diners. Persons having friends or relatives in the Sierra Madre Hospital will not only be able to visit patients but will also be able to eat their breakfast or their luncheon from the cafeteria.

Ample free parking space is available for hospital visitors or anyone desiring to eat in the dining room of food selected in the cafeteria. Many compliments have been paid the cafeteria service, to which the public is cordially invited.

The address of the Sierra Madre Community Hospital is 225 West Sierra Madre Blvd.

Public Schools Have Many Volunteers To Give Help

The children attending Sierra Madre and Sierra Mesa primary schools have welcomed the voluntary help of local community members. Young and old, butchers, engineers, and musicians have joined the traditional school education team in supplementing the instructional program as part of the SERVE program.

Approximately 50 volunteers are involved, and more are welcomed as tutors, library aides, classroom aides, and extenders of music, art, or other interests. Senior citizens from Scripps Home and the British Home have been faithful tutors. The PTA supports and coordinates the school SERVE program in cooperation with a staff coordinator. The Junior League of Pasadena cooperates with the board of education in funding the project.

More volunteers are needed in the fall to support new and existing programs. Orientation will be given in the local schools, and training for various projects will be available.

Graduates From Harvard Univ.

On Thursday, June 15, approximately 4400 degrees were awarded at the 321st commencement of Harvard University. About 1400 A.B. degrees were awarded by Harvard and Radcliffe Colleges.

Following the traditional commencement exercises in Harvard Yard, candidates received their degrees in special ceremonies held at the individual schools or houses with which they were most closely associated.

Among the graduates was Joseph W. Dauben, of 401 N. Sunnyside, who received a PhD.

Sierra Madre Student To Be Featured

Sierra Madre student Craig Walters is one of six high school art awardees to be featured at the Firehouse Gallery, 61 North Fair Oaks in Pasadena's Old Town, at a reception Friday, June 23 between 5:30 and 9 p.m.

Graduates of Blair, Muir and Pasadena High Schools, their work will be shown through Sunday, June 25 as part of a continuing effort by the artists' cooperative to foster creative expression in the visual arts. All interested persons are invited to view their work and that of the 35 member artists of the cooperative.

A student at Pasadena High School, Craig Walters has specialized in ceramics, doing innovative work and producing distinctive pots. Peggy Maloney's graphic work shows her strong interest in design.

Works of Shirley Okumura show a flair for cartooning and advertising art, while Deborah Bahler, also of John Muir High School creates sensitive drawings. Lynne Schneeman and Guillermo Martinez display keen observation and individual interpretation in their drawings and paintings.

Each has been recognized by an award from Pasadena Artist Associates, sponsors of the annual Outdoor Art

Eaton Women Hold Trophy Day

The second trophy day of the year was held at the Eaton Canyon Women's Golf Club with awards going to winners of low gross in each flight. Ruth Formhals won A flight with an 85 while Ann Chisler took flight B with an 89.

Mary Garrick and Zoli Alexander tied with C flight with 93's, but Mary won on the fifth hole after matching cards. New member, Gwen Christensen won flight D with a 105.

Putter of the month for May was Betty Hurtig.

Shakespeare Club Summer Activities

The summer activities of the Shakespeare Club of Pasadena will benefit the philanthropy funds for the year 1972-73 under Mrs. Idelle Sundquist, Philanthropy chairman. Shakespeare said "We are born to do benefits; let my deeds be witness to my worth."

Three luncheons, followed by bridge, are planned. The first will be held June 22, at 11 a.m. at the home of Mrs. George Willson in San Marino. On July 13, Mrs. Kenneth H. Scott, president of the Shakespeare Club, will open her home for the second in the series. The third benefit will be held in the home of Mrs. John Vidic of Glendale, on August 17.

School Board Report

by Frank A. Fleck

One of the silliest things your school board ever did was to back up the elementary schools by grade levels. For many years in the Pasadena Unified School District, each elementary school successfully served kids from kindergarten through the sixth grade (k-6).

Two years ago, the theoreticians who arbitrarily control the destinies of your children abruptly and unceremoniously scrapped many years of rich history and the invaluable lessons derived therefrom. These oracles decreed that, henceforth, each elementary school would either be k-3 or 4-6. Just like that. Your reporter would like to meet ONE Sierra Madrean who was consulted on this plot.

These geniuses concentrated on the big picture. One bothersome detail that they overlooked was that little kids and big kids use differen size equipment. Fortunately, someone brought this fact to the attention of hese bubble--heads. Then the entire sumer was spent frantically converting equipment in the schools. Everything had to be raised or lowered: desks, blackboards, coathangers, urinals. Inagine what this oversight cost? It didn't cost the educators one cent but guess what it cost the average Sierra Madre taxpayer?

Now, two years later, the schools are faced with a real fiscal squeeze. Don't you bet they wish they could recover some of that sickening waste?

The rationale fed to the public for making this senseless change was that each child would then be guaranteed neighborhood attendance for one-half of his elementary years. As we will see later, this has turned out to be a BIG LIE for one group of students and will shortly be false for many more innocent kids. Even if the statement were true, however, it emphasized the wrong aspect; what they should have told you was that each kid would henceforth spend half of his precious childhood AWAY from his neighborhood and his mother.

The excuse given was that the move was necessary in order to achieve court-ordered racial balance. In a later column, your reporter will expose the inside story behind this idiocy. However, for now, it is enough to say that the integration ordered by the court could have been achieved without tearing the schools and the community apart and that your school board knew it AT THE TIME!

As long as the k-3 versus 4-6 dichotomy is allowed to exist, half the elementary children MUST be bused even if perfect racial balance were to exist without the busing! Silly? What do you think?

What actually will happen is this:

Independent, professional studies have shown conclusively that the percentage of Anglo-Caucasians in your school district is rapidly declining and will be virtually zero in a few years. Therefore, buses will be transporting large minority children in one direction and small minority children in the opposite direction? Simultaneously!!

If you think THAT is ridiculous, read on.

For several years, your school district has deliverately concealed from the public the fact that enrollments were on the start of a tremendous downward slide. Even to this day, they won't tell you how bad it will be more than one year into the future. But THEY know and they have known for some years. More accurately, the superintendent and his staff have known this fact and it must be presumed that the knowledge was passed on to the liberal majority on the school board. The conservative minority usually has had to develop its own inde-

Honeymoon In Hawaii For Former Rose Princess And Her Husband

MRS. CHARLES HENRY CHURCH
. . . . Nee Christine Hartwell

Four hundred guests witnessed the exchange of marriage vows between Christine Hartwell of Sierra Madre and Mr. Charles Henry Church of Azusa in formal ceremonies held Saturday, June 3 at the Holliston United Methodist Church in Pasadena with the Rev. Sanford Sweet officiating at the 2 p.m. rites.

Christine is the daughter of Mr. and Mrs. Wayne Hartwell, who have been prominent members of this community for some 16 years. The bride's maternal grandfather is Mr. Frank Roberson, of Pasadena, who has resided in this area for many years, also. Her bridegroom is the son of Mr. and Mrs. Henry Church of Azusa.

Given in marriage by her father, the former Miss Hartwell chose a lovely wedding gown of white organdy with a complimenting, finger-tip veil. She carried a large bouquet of summer flowers, of yellow daisies, orchid gladioli, stephanotis and baby's breath.

Wearing a gown of yellow organdy, Miss Judy Johnson of Arcadia, a close friend of the bride, acted as maid of honor, while serving as bride's maids, wearing gowns of lavendar organdy, were Miss Cindy Coleman, Arcadia; Miss Kathy Arnett, Los Angeles; Miss Patti Paquette, Pasadena; and sister of the bride, Miss Pam Hartwell, Sierra Madre. They carried bouquets of yellow daisies and orchid gladioli.

Attending the bridegroom as best man was Pat Marshall of Azusa. Brothers of the bridegroom, John Church, Tom Church and Ken Kincade, from Palm Springs served as ushers as did the bride's brother, Steven Hartwell.

Kathy Corsello and Jeffery Corsello, young daughter and son of Mr. and Mrs. Robert Corsello of Sierra Madre acted as flower girl and rin bearer, respectively.

The reception was held immediately following the

——Please turn to Page 5

School Report

pendent sources for this sort of information.

What happens when enrollment drops? Two things: you will need fewer schools and you get less state aid (money). Therefore closing some schools will be mandatory. This September, Arroyo-Garfield and Mc Kinley elementary schools will be abandoned. Therefore, these kids will NEVER attend an elementary neighborhood school. See how the BIG LIE works? The lie will get bigger in the next few years when at least six more elementary and at least two secondary schools must be shut down.

One of the goals of world socialism is to destroy the family as the basic unit of society. In Russia, children are overtly and abruptly taken from their mothers and placed under the care of the state. In Pasadena (Sierra Madre) the process is a little more covert and a little more gradual, but no less insidious.

United Drive

age of all households in the community, supplemented by a followup of personal contact by campaign volunteers. New donors and increases in contributions exceeded losses from enrollment in AID or company-giving plans, the death or moving away of former contributors or decreases in amounts formerly contributed, making it possible for Sierra Madre to achieve its goal.

"The young people from our Red Cross chapter and the adults who helped in both the mailing part of the campaign and the doorbell pushing part deserve a lion's share of the credit in the success of the campaign. They are the vital link between the campaign organization and the donors," said Mrs. Brown.

Budget panel volunteers throughout the county have concluded their hearing with representatives of United Way agencies and have made their recommendations for the allocation of United of United Crusade dollars to provide needed services for the coming fiscal year.

Some pep drugs can cause damage in the heart rhythm and can aggravate pre-existing coronary artery disease, states the Los Angeles County Heart Association.

S. M. Student

Blair High School seniors Fair, whose scholarship committee selected them from 16 applicants. These young artists will be offered exhibit space during the fair in City Hall Plaza in September. Firehouse Gallery is cooperating with this civic group to encourage and reward excellence in art achievement.

Founded six years ago in Altadena as a co-op, the Firehouse Gallery at the corner of Fair Oaks and Union, has been part of Pasadena's Old Town since the summer of 1967. Here the public can view fine art in a variety of media and styles at modest prices, possible because the member artists operate their own gallery. Hours are 11 a.m. to 5 p.m. daily except Monday. In addition vistors are welcome on Fridays until 9 p.m. and on Sundays between 1 and 4 p.m. The entire gallery staff is comprised of member artists.

Mattress Sale

fer could be made.

These mattresses are now in the store and are available for your inspection and purchase, but you are advised that you must be quick on the "draw" as again, as in the past the sizes are liimted, but the quality is high and you must be among the first to be able to secure the size that you require.

On Page 3 of this issue of the Sierra Madre News will be found the listings of the sizes that are available and the prices that they are offered for. So do not put this off one additional minute, but hurry right down to Brown's Furniture store and make your choice. It is truly a bargain that you cannot afford to pass up. You had better believe it.

History Lists

Company, Lillian P. Randall, Rudolph Lopez, Elena Brown and Bruno Niccoli are among those whose biographies are included in the history.

James W. Anderson, president of the Historical Publishing Co., and editor of the history, recently accepted the coveted "Publication of Distinction" award, which is given only occasionally when a publication meets the high standards set by the judges, for the preparation of the Pasadena Area History.

Saving Service New At Our First Western

A new savings service is being instituted at First Western Bank. One teller describes it as "a kind of Christmas in June." Entitled the First Bancruise Club, the service offers automatic monthly deductions from checking accounts to savings accounts for the purpose of vacation travel.

An added feature is available for customers signing on to the Cruise Club during June and July. By making an initial deposit of $25 or more and authorizing First Western to make automatic deposits of $10 or more each month, club members may buy a Kodak Instamatic Movie Camera for $19.50 plus tax.

During this initial two month period, bank employees can win the movie camera by selling ten Cruise Club accounts.

TelePrompTer Chief Endorses FCC Decision

new broadband communications medium."

As one of the 80 TelePrompTer programming systems, and while still under the 3,500 minimum, Sierra Madre Cable TV initiated its local origination programming in late May of 1971.

"Our first program" stated Roger Walker, system manager of TelePrompTer of Sierra Madre, "was an hour-long coverage of the famous Mt. Wilson Trail Foot-race. Viewers were particularly pleased with ur sky shots of the racers videotaped from a helicopter above the trail.

"In just one year," he continued, "our local programming has grown from 2 to sometimes 24 hours per week, with live coverage of the 2 to 4 hour-long Sierra Madre City Council meetings, videotaping of the Arcadia City Council meetings and Mayor's press conferences, extended coverage of area school, municipal, and organizational activities and facets. twice-a-day community news programs, and equal-time programming during the recent local and state elections."

Recently, one of TelePrompTer of Sierra Madre's "Know Your City College" series, videotaped at Pasadena City College, won a National Cable Television Association special award of excellence in community educational coverage.

"Quite surprising," said Walker, "are the increasing number of calls we get every week from residents all over the San Gabriel Valley — La Canada, Flintridge, Glendale Pasadena, South Pasadena, Altadena, San Gabriel, Temple City, El Monte, Rosemead, Monrovia, Baldwin Park, West Covina, Azusa, Glendora, San Dimas. La Verne, even Newport Beach and Pomona — asking if there is any way they can receive our cable service and local programs. They've moved from our area or heard of us from friends.

"We are grateful for the progress we have been able to make in offering local coverage of all phases of community activities and interests through the media of cable television," he said. "Most especially are we gratified at the community's spendid cooperation and participation in this new and exciting field, which should prove of accelerated and boundless, actually, betterment of community communication and involvement."

Sandra Hartman Graduate of USC

Sandra Hartman graduated from USC June 8th with an AB in mathematics and will leave this week to spend 13 weeks in Gaithersburg, Maryland for training before she begins her job as an assistant programmer for the IBM Federal Systems Division in Westake, California.

Sandy is the daughter of Mr. and Mrs. Robert Hartman of Irvine, and the granddaughter of Mr. and Mrs. Rudolph Hartman of this community.

While in the East, Sandy will be able to visit her brother Chuck, who is also a programmer and works in Washington, D.C.

Mrs. Church

ceremony, at the Pasadena Tournament of Roses, Wrigely Gardens, in Pasadena, where all the wedding guests were given a chance to extend their best wishes to the bride and groom. Coffee or tea or punch, along with the accompanying mints and nuts, were served with wedding cake to those attending.

Before graduating from PCC, the bride attended PHS where she was a member of the drill team. In addition the former TWA flight hostess, a truly lovely girl, was a 1971 Tournament of Roses Princess.

The briedgroom is a graduate of Cal State Los Angeles and is presently employed as an engineer with Honeywell in West Covina.

After a honeymoon trip to the beautiful islands of Hawaii, the newlyweds are now at home in Azusa.

Gas Refund Is Now Coming

Refunds of approximately $10½ million will be made to California gas customers as a result of a long legal battle by the California Public Utilities Commission, Chairman J. P. Vukasin, Jr. announced.

The refunds are the result of a proceeding before the Federal Power Commission arising from the Permian Basin Show Cause Proceeding, which dates to September 1965

"Continuous participation by the PUC in the entire Permian Basin case, extending over a decade," Vukasin said, "has protected California ratepayers and has previously recovered some $59 million in refunds to California customers."

The Permian Basin is that gas producing area in southeastern New Mexico and western Texas, from which California imports much of its natural gas.

Piano Lessons At Memorial Park

Six Mondays this summer, and you could be playing all those popular and semi-classical piano tunes you always wanted to play.

Pasadena City College is offering a six-week piano class at the Sierra Madre Park House, 21 Hermosa Ave., Sierra Madre, from 9 a.m. to noon beginning Monday, June 19. Margarette Hull, instructor, will specialize in teaching harmony.

There is no fee, and enrollment is the first day of class. Further information may be obtained by calling 795-6961. Ext. 261.

Men aged 30-59 have a fatal heart attack rate more than four times that of women in the same age bracket states the Los Angeles County Heart Association. From age 60 on, the rate of heart attack deaths among women begins to approach that of men.

Color Sliders To Meet June 26

Arcadia Color Sliders will present their annual "Shoot-a-roll" contest at the club's monthly meeting on June 26, 7:30 p.m. at the Arcadia Public Library.

Theme for the contest is "Architecture." An entry consists of 20 slides on this subject, taken over a specified week end.

Lee and Dorothy Bailey of Temple City, contest chairmen, have secured Leona Piety of Laguna Beach to score the entries as they are shown at the meeting. Mrs. Piety, APSA, has won many photographic awards and is an extremely competent evaluator, much in demand by Southern California Camera Clubs.

Although entries are limited to club members, visitors are welcome to attend the judging.

Baton Twirling

second only to the Scouting program. Twirling fun is enjoyed by over one million students in schools throughout the United States. Baton helps to develop traits of self-confidence, body coordination, physical fitness, poise, grace, leadership and cooperation. In this class, the students will learn basic and advanced twirls. Also the students will learn a strutting routine which they will do in he Homecoming parade. The classes will be held every Monday, Wednesday and Friday from June 19-September 1.

The classes are divided by age: 4-6 age group at 9-10 a.m.; 6-8 age group, 10-11 a.m.; 8-12 age group, 11-12 noon, and 12 and over age group, 1-2 p.m.

Legion Aux. Meet

The Sierra Madre American Legion Auxiliary will have their social meeting Thursday, June 22, at 2 p.m. at the home of Mrs. Pansy Hearn, 98 Victoria Lane.

Out of the Cobwebs

Sixty Years Ago:
June 21, 1912

Members of the public school military company left this morning for an outing in the West Fork of the San Gabriel under the command of E. W. Mead They will remain till Tuesday morning, coming home in time for the Board of Trade picnic on Wednesday. Military rules will be declared off and firearms prohibited. The sole object will be a good time. The boys in the company are Sergeants Gerald Mitchell and Joseph Evans, Corporal Francis Franciscus, Privates Donald Tarr, Sam L. Graham, Paul Littell, Willie Seeley, Thomas Schwartz and Norman Jensen.

Friends of Mr. and Mrs. C. F. Gray were delighted to welcome them on their return to Sierra Madre last Saturday after an absence of nearly a year in Bridgeport, Conn., where Mr. Gray has been imparting enough new ideas in sewing machine to keep the Singer factory ahead of the procession for some time to come. In the meantime he will work out some new ones he has up his sleeve, at the Singer branch factory on the rear of his lot on Auburn Avenue.

Ryodon Pool of Sierra Madre was a member of the class which was graduated from the Pasadena High School last week, having completed the course in the merchanical department.

When Trustee Tarr finished his first session with the municipal board at 12:15 Wednesday morning he was wondering if that was the sort of thing he was in for regularly. If so he had begun to wish he had not undertaken the job. But there was some comfort in the assurance of the other members that the long session was largely due to the fact that no regular meeting had been held for nearly a month and the routine business seldom piles up in such a manner.

The National New Thought Alliance, which has its headquarters in Boston, will hold its convention in Los Angeles from Tuesday, June 25th to Sunday, June 30th, inclusive. The prospect is of the grandest convention that these people have ever held. Hundreds are coming from different parts of the United States, and the speakers are among the most talented and attractive that the modern philosophy presents.

"DONT'S FOR OFFICIALS . . . Don't show anger. Don't raise your voice. Don't suspect people of intent to do wrong. Don't tell people you suspect them of intent to do wrong. Don't forget to try to deny a request when you must deny it in such a way that the petitioner is grateful. Don't forget, when you find a citizen evading the law or playing a trick which must make you angry, if you have red blood, that self restraint is a double victory. It saves your strength and disappoints him. Don't forget that public officials are to help citizens, not to trouble them. Don't forget that courtesy to fellow employees makes for efficiency. Don't forget that the borough president will find it just as hard as any of you to live up to these hints. Don't forget to read this every day —Cyrus C. Miller, president of Bronx Borough, New York.

Mrs. A. D. Hawks and Miss Daisy Hawks have returned from a month's stay at La Jolla. They were accompanied by Mrs. Laura Stevenson and Miss Janet Stevenson of the Bishop's School, who will spend their vacation at their home in Sierra Madre.

Several people have been wondering about the whereabouts of long-time Sierra Madre resident, Marjorie Green. Quite a few Sierra Madreans will probably remember her in connection with the Sierra Madre Community Nursery School, which she was instrumental in starting.

Anyway, it has come to light that Marjorie is presently at the Rio Hondo Convalescent Hospital at 273 East Beverly Blvd., in Montebello, Calif. 90640. We are more than sure that her many friends, now knowing where to reach her, will either want to drop her a card or stop in and visit her.

Jarvis, Mrs. Martin Meeker, Mrs. Claude Perier, Mrs. Harold Pool, Mrs. David Powell, Mrs. Neal Randle, Mrs. Edouard Riley, Mrs. William Robinson Jr., Mrs. Arthur Rolapp, Mrs. Roger Rumsey, Mrs. Fred Sipp, Mrs. R. Ernest Smith, Mrs. Gordon Sprague, Mrs. Allan Stearns, Mrs. M. D. Straughan, Mrs. Wayne Toland, Mrs. Joseph van Rensselaer, Mrs. George Witter, Miss Judy Carr, Mrs. Theodore Danciart, Mrs. Grant Haynes, and Mrs. Henry Burlage Jr.

Delta Gamma is known for its philanthropic activities involved with aid to the blind. The local on-going projects include the Blind Children's Center in Los Angeles, and various activities with the Vista Nova Home for the Blind and the Pasadena Braille Club.

General Telephone

tween General and the Communications Workers of America. The settlement gave General's hourly employees pay raises on July 15 and December 12, 1971, and on March 5, 1972.

"Despite the Pacific case ruling, General still is in desperate need of the proposed increase to offset our latest wage settlement, especially in view of the fact that the California PUC granted us only 66 per cent of the previously needed relief in our last rate request," according to Richard L. Ohlson, vice president - revenue requirements for General. The company's wage offset request is geared to restore its rate of return only to the level previously found reasonable by the PUC.

QUESTIONS AND ANSWERS ON THE NEW FICTITIOUS NAME LAW

1. QUESTION: When does the new Fictitious Name Law take effect?

ANSWER: It took effect on July 1, 1971.

2. QUESTION: Who must file the required new statement of doing business under a fictitious name?

ANSWER: All individuals, partnerships and corporations which operate under names not their own must file. All old certificates expired June 30, 1971.

3. QUESTION: What is a Fictitous Firm Name?

ANSWER: One that does not include the surname of the operator, or one that implies the ownership participation of others such as Brothers, Sons, Associates, Company"; or if a corporation owner, a name different from that registered in the Articles of Incorporation.

4. QUESTION: What is the purpose of the fictitious name procedure?

ANSWER: The requirements have been in effect in California since 1872 and are designed to protect the consumer by enabling him to identify the person or persons with whom he is really dealing.

5. QUESTION: Must all firm presently doing business under fictitious names file new statements?

ANSWER: Yes, all must re-file under new code sections of the Business and Professions Code which replace those in the Civil Code: The new sections are 17900-17930 and also Sections 7540 and 10159.5 and Section 10522.5 of the Business and Professions Code, and Section 12300.2 of the Financial Code.

6. QUESTION: Must all firms doing business under a fictitious name publish at the time of filing?

ANSWER: County Clerk of Los Angeles County has ruled that effective July 1, 1971, all registrants under the new law must publish.

7. QUESTION: Precisely what is the process for publishing?

ANSWER: Publication must be made once a week for four weeks in a qualified newspaper circulating in the area of the affected business. Publication must be commenced within 30 days after filing. And proof of publication must be filed with the County Clerk within 30 days after completion of publication.

8. QUESTION: Is a filing of the new form since January 1, 1971, adequate?

ANSWER: Yes, filings under the new law have been accepted since January 1, to be effective July 1, 1971.

9. QUESTION: What is the penalty for failure to file and publish?

ANSWER: One penalty will be inability to maintain a court action until the law has been complied with. In addition, most banks demand evidence of filing and publication prior to opening an account under a fictitious firm name.

10. QUESTION: Where are the printed forms to be obtained for this filing and publication procedure?

ANSWER: Free forms and service are available at most newspaper offices or at any office of the County Clerk, or from California Newspaper Service Bureau, Inc., 210 South Spring Street, Los Angeles, California. Phone MA 5-2541.

11. QUESTION: What is the cost of filing and publishing?

ANSWER: Statutory filing fee for the new statement, inclusive of mandatory certification of a copy by the County Clerk, is $10.00. Publication charge for the four insertions of the notice is determined by the selected newspaper.

12. QUESTION: Can two or more fictitious name businesses operating under different names from the same address but owned by the same person or persons file and publish under a single statement?

ANSWER: Yes, provided two or more filing fees of $10.00 each are paid the County Clerk for multiple indexing, and provided that printer's proofs of publication are provided the County Clerk for filing with the original copies of the consolidated statement. Most newspapers will make an additional charge for each additional firm name.

13. QUESTION: Will a change in residence address of an individual or member of a general partnership doing business under a filed fictitious name make necessary a publication when filing is repeated at the end of each five year period?

ANSWER: Yes, publication will be required when re-filing is made at the end of each five year period if there has been any "change in information" which makes a new statement differ from the old one. If there have been no changes in the statement from one five year period to the next, no additional publication will be required. However, this issue cannot be raised until 1976 and the years thereafter.

14. QUESTION: Is it mandatory that a single style of printed form be used in filing and publishing of Fictitious Name Statements?

ANSWER: County Counsel of Los Angeles County has ruled that any form is acceptable provided it is of the 8½ by 11-inch dimensions prescribed by the State Judicial Council for forms, and provided it embraces all items specified in Section 17913 of the Business and Professions Code, and without regard to other material that may be printed on the forms for identification or informational purposes.

15. QUESTION: After July 1, 1971, will all new filings require pubication?

ANSWER: All new filings will require publication until December 31, 1976. (Ruling of the County Clerk of Los Angeles County.)

16. QUESTION: What other values do registrants gain through publication of Fictitious Firm Names?

ANSWER: Evidential proof of priority is established in the event competitors later use or file under the same name. Also their is direct advertising value for the firm through publication four times in a local newspaper of substantial circuation of the name and address of the business, it being noted that newspapers frequently print such names in black face type in capital letters, spaced separately.

17. QUESTION: Where can I see the new law?

ANSWER: Most of the sections are quoted on printed form obtainable free from:

Are You Operating Your Business Under A Fictitious Name?

If So You Must Re-Register it Now! See News Article Below

New Law in effect:

A prediction that 300,000 firms doing business in California under fictitious trade names will re-file under the new fictitious firm name law was made this week by William G. Sharp, county clerk of Los Angeles County. Sharp is chairman of a committee of county clerks which has been preparing procedures for the new statute.

The new requirement for re-filing of all firm names goes into effect July 1, 1971, but Sharp said the filings will be accepted by the county clerk's offices beginning Monday, and he urged early filing in order to avoid the rush just before the July 1 deadline. The filing fee under the new law will be $10. Filings must be renewed hereafter at five year intervals.

The Los Angeles county clerk also pointed out that the historic publication requirement has been continued under the new law and that publication of the statement once a week for four successive weeks in a newspaper of general circulation in the neighborhood of the affected business is required whenever there has been any change in the information contained in the certificate previously filed. Publication will not be required in instances where there has been no change in the information carried in the old certificate.

A fictitious name, Sharp pointed out, is one that does not include the surname of the operator or one that implies the existence of other owners; or, if a corporation, if it includes a name other than the name given in the articles of incorporation.

The purpose of the fictitious business name procedure is to protect the consumer in enabling him to find out the person with whom he is really dealing, Sharp said. If he has been defrauded by the "John Doe Television and Time Clock Repair Shop" and the shop is really owned and operated by "Richard Roe" or the "East Ganawanda Land and Farming Corporation," the consumer can find in the fictitious name statement information for bringing suit for damages. The procedure provides a ready source of information concerning identity realities obscured by fictitious business or trade names. Most banks now require evidence that the fictitious filing and publication requirements have been met before they will open an account under a fictitious name.

The office of each county clerk will furnish forms required by the new law or information and forms from this newspaper.

Sections 17900-17930 of Business and Professions Code in Effect Jan. 1, 1971*

Refiling Dead-Line July 1, 1971

County Clerk's Filing Fee is $10 for Re-Filing or New Filing*

Publication Charge Will Be $23.00 If Publication Required.

*Old civil code sections prevail in part until July 1, with filing charge of $2.00. Only a single publication required for interim $2 filing and for the prospective $10 refiling.

General Telephone Lowers Rate Increase Application

General Telephone Company of California announced that it has amended its current rate increase application before the California Public Utilities Commission, reducing the amount sought from $21.4 million to $10.1 million annually.

The amendment was filed June 2, and resulted from a recent PUC decision increasing rates for Pacific Telephone.

As a result of the Pacific Telephone case ruling, General Telephone expects to receive more than $11 million annually in additional revenues from Pacific Telephone settlements.

Long distance and message unit rates for General's customers were increased on May 27 as a result of the Pacific Telephone ruling.

General's current rate increase application is scheduled for public hearings in the State Building, 107 S. Broadway, Los Angeles, June 12-19. Public witnesses are slated to testify on June 19.

Rate changes proposed would be in basic rates for both residence and business customers, service connections, non-published listings and customer - requested phone number changes.

The proposed increases are 5 cents per month for residential customers, 15 cents per month for business customers and 20 cents per month for PBX trunks.

General also is asking for a 25-cent per month charge for each non - published phone number, a $5 charge to change a residence telephone number at customer's request, and $10 to change a business telephone number at customer's request.

The increase in service connections for residence cusomers would be from $12 to $18 and from $18 to $25 for business customers. The charge to move or change a residence telephone would rise from $5 to $6.

The company filed its application on February 18, originally requesting permission to increase its annual rates by approximately $21.4 million to offset increased labor costs. The increased wages occurred as a result of an agreement be-

Out of the Cobwebs

Following two and one-half years of publication, during which the SIERRA MADRE NEWS has been modernized, its circulation and advertising lineage materially increased and it has been properly projected as the "Best Little Weekly in the Southland," this newspaper has been sold by Mr. and Mrs. Ed-E Herwig to Mr. and Mrs. R. Robert Evans who come to this city from Shafter, California. Reasons of health concerning Mr. Herwig brought about the sale which becomes effective July 1. Mr. and Mrs. Herwig will continue to make their home at 218 N. Mountain Trail, meanwhile traveling in the Northwest and East while Mr. Herwig seeks recovery of his health. Noted for its editorial alertness and policy, and also for its business excellence under Mrs. Herwig, the NEWS has become a recognized factor in the advancement of good government and economic progress in Sierra Madre as well as fighting the Communists and Pinks at every opportunity in Sierra Madre, Hastings Ranch, Sierra Madre Villa, the Oaks-Highland and Roseemad - Foothill areas. **We Are Happy** to report that Mr. Evans, an experienced newspaper publisher, will continue these policies as well as keeping the newspaper Republican Up until a few months ago Mr. and Mrs. Evans published the Shafter Press, a weekly newspaper in Shafter, Calif., 18 miles northwest of Bakersfield. Prior to that they published the Tustin News at Tustin, in Orange County. Mr. Evans is not only an excellent publisher, but also is a printer and so combines these abilities in turning out the best possible newsapper. Incidenly, the Evans have purchased a home in Sierra Madre, located at 350 Toyon Rd., construction to be completed in early July, at which time the family will move here from Shafter. A native of Kansas, as is Postmaster Charles E. Louk, Mr. Evans completed his training in the newspaper field in Illinois. He now has 29 years of experience behind him in the publishing business.

smile) "have not been all over the world as I have. I have been all over the Kow, Father Alfred finds much to marvel at in the world, and this is the most beautiful spot I have ever seen . . ."

James Arthur Gilbert of Ventura, well-known resident of Sierra Madre 20 years ago, and father of said to us (and we felt calnew monastery. "You," he Mrs. Henry Olsen, passed away on Sunday at his home in Ventura at the age of 72 years. Mr. Gilbert was born in Wakefield, Kansas, and has been a resident of California for the past 29 years. He built the Sierra Madre Woman's Club House, while living in Sierra Madre and will be remembered by many of the older residents.

Wayne Morrison of Norm's Garage, won third place in the ten-lap event at the Huntington Beach auto races, with his Fronty Ford on Sunday, and was fifth in the main event. The Ford entered in the race was constructed by Wayne at his father's garage.

Mrs. C. O. Rickter of Kansas City, sister of Mrs. Lee Shippey of 497 Nehr Drive, will viist the Shippeys for the summer. The Shippey family will leave soon to spend the summer at their cottage at Del Mar.

Ten Years Ago:
June 21, 1962

Henry B. Nuetzel announced late Wednesday that he will immediateiy proceed with construction of from 100 to 115 houses on his tract. His Field Survey Corps will start work surveying the territory Monday. Under R-1 zoning 25 per cent of the home may each cover 12,000 square feet; the others must be of 15,000 square foot dimension . . . . With Mayor W. Webster Vannier absent on vacation, City Council Tuesday night in a highly dramatic "Operations Foothill' denied former Councilman and wartime flier Henry B. Nuetzel of 700 Acacia permission to build 26 to 30 apartment house buildings on the 50-acre Mansur - Nuetzel tract.

Delta Gamma Centennial Convention Gets Underway June 10 To 22

Many San Gabriel Valley women are planning to attend Delta Gamma Fraternity's Centennial Convention June 19-22 at the Century Plaza Hotel in Los Angeles. Official delegates from this area are Mrs. Joseph Lewis, president of the Pasadena Alumnae Chapter and Mrs. Thomas Curran, president of the Pasadena Junior Alumnae.

Delta Gamma is established on 100 campuses the United States and Canada and each of these groups, plus the 275 alumnae organizations will be represented at the convention. Because of the Southern California location, 1000 members are expected to attend during the four day session.

Though Delta Gamma was founded in 1873 in Oxford, Mississippi, the official Centennial celebration is scheduled for this June in order to introduce a year of birthday observances. The Centennial theme, "One Hundred Years of Hope" reflects the anchor (the Delta Gamma Pin) as a traditional symbol of hope and reminds the members that the letter "H" was the original Delta Gamma badge.

Each of the alumnae groups in Southern California has participated in preparations for the convention. Events include a Hawaiian luncheon and fashion show by Waltah Calrk, an "Awards Dinner" and the Centennial Banquet, which will feature a spectacular pageant of Delta Gamma history.

Pasadena's night is Tuesday, June 20, when the two local alumnae groups are hostessing a "Happy Birthday Party" to celebrate the 100 years of Delta Gamma. Disneyland provides the theme with the main ballroom of the hotel arrayed with an authentic Disney set, character animals and Mickey Mouse balloons aloft over a birthday cake in the center of each table. A specially wrapped birthday remembrance will be presented to everyone attending. All alumnae chapters will, in turn, present their birthday gifts to the fraternity in the form of a report on their centennial activities. Co-chairmen for the evening are Mrs. Stanley Barchan and Mrs. Greg Doerschlag.

Other local alumnae who are heading major committees are Mrs. Charles Ray, reservations; Mrs. Russell Walter, Panhellenic Tea chairman; and Mrs. Harrison Kelley, decorations coordinator. Of special note is Mrs. Gordon Gary, assistant convention chairman.

Those who have made early reservations include the following: Mrs. Lewis Bond, Mrs. Allan Clark, Mrs. William Gearhart Jr., Mrs. John Harris, Mrs. Russell

Dr. M. Stevens Announces Sunday Topic

"On Making Right Decisions" is the message selected by Dr. Margaret M. Stevens on June 25. Many of our problems in life stem from the inability to make decisions. It is possible to live above frustration and tension, through the development of a positive, decisive attitude. The Santa Anita Church is located at 226 West Colorado Blvd. in Arcadia.

The church offers two identical services, 9:30 and 11 a.m. There is child care and Junior Church provided for both services. The young people attend the opening 15 minutes of the worship service with their parents and then attend their own service.

"Walking with Jesus" is the theme which will be developed in the Junior Church program this summer. Youth in the fellowship groups will enact in costume important messages in the life of Jesus. The first of this series will be this Sunday: "A Nazarene Home in Jesus' Time." The young people will be shown how a Nazarene family lived at both the 9:30 and 11 a.m. services, which are identical.

Rev. Anderson Sets Sun. Topic

The sermon topic of Rev. Richard J. Anderson for this Sunday, for Sierra Madre Congregational Church at 10:30 a.m. has been announced. He will speak on "Your True Worth."

In explaining his topic Rev. Anderson says, "How much are you really worth? When it comes right down to it, how rich are you? It's good to take a personal inventory from time to time, not just in business but also in our own individual lives. The true worth of a person is revealed by what is left when all material blessings are taken away.

"Now the material things in life are important. We need homes in which to live, cars in which to travel. We need clothes on our back, food on our table. These things are of great importance to us, and yet we in America are rich in these goods while millions of others in the world today are very poor. But our true worth and our true wealth lies not in the abundance of our material possessions. Our true worth is measured by what is left when these things are gone.

"Recently I visited a man in the hospital who was having quite major surgery on his hip. They told me of two other patients on the same floor with him. One was a woman who wanted to die. Her health was poor. It had gone steadily downhill, and for her the failure of health was the failure of life itself, and she wanted to die. And then he told me of another young woman. She was in nurse's training and had had it interrupted several times with major surgery for cancer that had been spreading throughout her body. When I saw her that day she was recovering from lung cancer, not that she ever would ultimately recover though there's always that possibility, but her spirits were joyous. She was excited about life. I went in to thank her for coming in to visit my friends and assure him of her prayers in his behalf and for the proper mending of his hip. In these cases the true measure of a person's wealth or worth is revealed by what is left when health is gone. The true person in both cases was revealed."

In concluding, Rev. Anderson says: "How about you? Have you thought of your life and what would be left if your health or your wealth were to dissipate? Jesus said, 'I am come that you might have life and have it more abundantly.' And the life that Jesus offers and the wealth that Jesus offers never will pass away."

Church school and adult Bible study are at 9:30 a.m. Kindergarten church is at 10:20 a.m.

Lesson-Sermon For Sun., June 25

Those attending the Sunday morning service at First Church of Christ, Scientist, Sierra Madre, will listen to these words read from Jeremiah 31:13. "I will put my law in their inward parts, and write it in their hearts; and will be their God, and they shall be my people." This is the Golden Text which begins the Lesson-Sermon. A correlative passage from Science and Health with Key to the Scriptures by Mary Baker Eddy, will be, "God is the Principle of divine metaphysics. As there is but one God, there can be but one divine Principle of all Science; and there must be fixed rules for the demonstration of this divine Principle.

All are welcome to attend these services which begin at 11 a.m. The church is located at 186 W. Highland Ave.

Pastor Hesse Announces His Pulpit Theme

"That Feeling of Inadequacy" will be the pulpit theme of Pastor Armin Hesse in the 10 o'clock Sunday morning worship service at Faith Lutheran Church, 845 Hastings Ranch Drive. The message will be the third in the current summer series on The Life of Moses.

At 9, the Sunday school departments, including the youth and adult Bible classes, will view the film "The Cheat." The discussion on the various age-levels will concern the value and the everyday practice of the virtue of honesty.

The final evangelism study and training session prior to the summer holidays will be conducted next Wednesday evening at 7:30.

The second week of the Children's Vacation Bible School will begin next Monday morning at 9. Serving as teachers are: Carol Brennan, Jana Ross, Sonja Grisbach, Marie Martinez, Rhonda Schroeder, Dyna Jensen, Lee Parcoska, Yvonne Osti, and Pastor Hesse.

Ruth Muschinske is serving as a substitute instructor. Serving as handicraft leaders and helpers: Denise Sheppard, Lori Hingst, Lynn Larson, Jean Swanson, Debbie Jensen, Lori Younger, Gay Wessels, Susan Koenig, William Rutz and Ruediger Bracht. Ann Goeppinger is the song leader; Margaret Goeppinger, the registrar, and Gertrude Gerke is in charge of the daily snack period.

Rock Bottom Car Payments At Bank of America

Bank of America today announced a new finance program designed to make buying a new car easier on the pocketbook.

Called the "Auto-Magic" program, it is the first of its kind anywhere. It will offer a 24 to 36 month auto financing plan featuring low monthly payments.

"Under the plan, monthly payments — excluding the final one — will be based on the difference between the car's sale price, less down payment, and its approximate wholesale value at the contract's maturity as projected at the time of sale, said K. V. Larkin, Bank of America senior vice president.

"In effect, the borrower's monthly payments will be substantially lower because he would be repaying on this difference rather than on the total value of the car," Larkin noted.

The balance of the contract, which would be the approximate wholesale value of the car as projected at the time of the sale, would be due as the final payment.

Under the plan, if the borrower chooses to sell his car at the contract's maturity, the auto dealer would repurchase it for the amount of the final payment, providing the car meets predetermined wear and tear requirements.

If the borrower doesn't want to sell his car to the auto dealer, he may make the final payment and keep the car, or he may sell it elsewhere and apply the proceeds to his final payment.

Larkin said the new plan is designed to augment the bank's existing new car financing and leasing programs.

"We believe Auto-Magic will be particularly suited to car owners who tend to trade in their automobiles at regular intervals, or to people who prefer to invest less capital in a car," Larkin said.

The Auto-Magic plan will be available throughout California at new car dealers who offer Bank of America financing.

Alan Young In Sierra Madre

Alan Young is the moderator of television documentary on Christian Science which will be seen in the Sierra Madre area, Sunday, June 25.

Part of the ABC "Directions" series, the program has special appeal to youth. Because of enthusiastic response, nationwide, it is being shown for a second time.

Station KABC Channel 7, Los Angeles, will carry the half-hour color film Sunday at 1 p.m.

Mr. Young, who has been absent from TV since the days of the "Mister Ed" show, will discuss the relevance of religion to current problems with students who attended the Christian Science College Organization Biennial meeting recently completed at the denomination's world headquarters in Boston.

The show, which will also look into the history of the Christian Science movement, is called "Christian Science: How Do You Heal a World?"

Newcomer's Club Presents Checks To Two Groups

The Arcadia - Sierra Madre Newcomer's Club presented a check in the amount of $140 to the Arcadia Campership Fund at their June 13 luncheon meeting. Mrs. Marian Pickens, a representative of the Arcadia Campership Fund, accepted the checks and expressed her thanks. It will enable four children to attend camp that would not otherwise be able to attend.

Also at this luncheon, a check in the amount of $140 was presented to Mr. Eugene Thom, a representative of the Sierra Madre Search and Rescue Team.

The donations were mainly a result of the proceeds from the Newcomer's "Speakeasy," — a party held in April.

For information about the Newcomer's Club, sponsored by Welcome Wagon International, call Mrs. Donald Grow, 355-2176, in Arcadia or Mrs. Joseph Hughes, 355-7905 in Sierra Madre.

KLEINBERGER RIESLING BIN 320
The only known planting of Kleinberger Riesling grapes in America is found in the Sonoma Valley — the result of grapes imported here in the 1800's by German vintners. We, therefore, have the unique distinction of producing this subtly fresh, slightly pungent, white wine.
This vintage will be the last for some time. It was decided that after this harvest, the vineyards, was were some eighty years old, should be replanted. New plantings are underway, but it will be some five years before another lot of this prized white wine will again be available.

JULY 4TH CELEBRATION

PARADE
TUESDAY
JULY 4th -- 10 A.M.

BROUGHT TO YOU FOR YOUR ENJOYMENT BY THE COMBINED EFFORTS
PARKS & RECREATION AND YOUR CHAMBER OF COMMERCE

Celebrate Your Independence Day At Home — AND BE ALIVE ON THE FIFTH

Absolutely No Admission Charged For This Full Day of Entertainment

PROGRAM

Plans are now set for the Seventh Annual "Fourth of July Hometown Celebration" which is sponsored by the Sierra Madre Parks and Recreation Department and the Sierra Madre Chamber of Commerce. Activities on the Fourth will begin with a parade down Sierra Madre Boulevard, beginning at 10 a.m., with over 40 entries. All boys and girls are invited to decorate their bikes and to ride in the parade. The parade will begin at Sunnyside Avenue.

At 11:30 a.m booths will open at Sierra Vista Park. The booths will consist of exotic and unusual foods and many games. At 1:00 p.m. will be the all city swim meet. This meet is open to all boys and girls, ages 6 to 17, who are not presently competing on a competitive swim team. Ribbons will be awarded to first through sixth place. This activity will be conducted by the Sierra Madre Swim Team.

At 2:00 p.m., two activities will begin. The pools will open for recreational swimming and games and races. FREE public swim from 1:30 to 4:30.

5:30 p.m. — Talent show and Belly Dancing and Charleston Contest.

The final activity of the day will be a street dance for teens, ages 13 to 18, at Kersting Court. The dance will be held from 8:00 p.m. until 11 p.m.

Everyone is urged to stay home on the Fourth and to take part in this old fashioned Home Town Celebration.

For further information call the Recreation Department, 355-7135.

Mrs. Estella R. Carr Marks Her 102nd Anniversary

Without any doubt about it, if honors were given for the oldest Sierra Madrean, the award would surely go to a lovely lady, Mrs. Estella R. Carr, who celebrated her 102nd birthday on Wednesday, June 7th, with an afternoon party at Parkwood Convalescent Hospital. (Actually the lady's natal anniversary was on Monday, June 5.)

The party was a big success, with patients and staff present to extend their wishes and share in the ice cream and birthday cake.

"Stella," as Mrs. Carr is known to the residents of Parkwood, thoroughly enjoyed her party and appreciated, greatly, the birthday gifts and many cards she received. This was really her second party as her niece and her husband, Mr. and Mrs. R. V. Pedlar of North Hollywood came to visit her the weekend prior to her birthday and hosted a small festive gathering in her honor.

Remarkably alert at 102, Mrs. Carr knows and recognizes her fellow Parkwood residents and members of the staff. While she is unable to walk anymore, she is still very interested in singing and joined in the "community sing" at her party.

Mrs. Carr was born Estella Rudesill, on a farm near Johnsonville, Illinois. Her love of music and singing started at an early age and it was fortunate that the Rudesill family was a musical family for Stella just naturally took to singing — at home, in church and in school.

Mrs. Carr taught school in Illinois and South Dakota and it was in South Dakota where she met and married her husband, Robert V. Carr, author of Black Hills Ballads.

The Carrs settled in Sierra Madre nearly 62 years ago, although for awhile they divided their time between Sierra Madre and the desert near Palm Springs.

Besides being a gifted writer, Mr. Carr, a newspaper man with his own column, was a staff writer for the Los Angeles Times for many years. The Carrs had an active social and political life in Sierra Madre as well as in the Southern California area. They met and were acquainted with many Hollywood stars of the early days including Mary Pickford and Douglas Fairbanks.

Friends of Mrs. Carr are invited to visit with her at Parkwood. She enjoys having old friends drop in to chat with her.

We join with those friends and acquaintances in wishing "Stella" a very good year and look forward to wishing her a Happy 103rd Birthday next year.

People-To--People

have conducted orientation sessions including discussion of the government, cultural and historical backgrounds and major industries of the various countries to be visited.

The culminating event of all the pre-departure get togethers was a bon voyage party in the San Marino home of Mr. and Mrs. James Hutter. The Holmes Hobarts and Henry Botzbachs were also co-hosts for the dinner to which all the Ambassadors and their parents were invited.

The purpose of this program is manifold; to help create goodwill and international understanding both here and abroad; to help gather information so the program can be explained when the student returns — in talks, news articles and work in the spirit of People-to-People.

Microwave Towers To Be Advertised

County supervisors adopted final plans and specifications and ordered an advertisement for bids for construction of microwave towers at eight locations throughout the County, Supervisor Chairman Warren Dorn has announced.

Work includes constructing self-supporting microwave towers and installing antennas at the Tempie City, Downey, Rio Hondo, Malibu, Lakewood, Firestone, and Altadena stations. A 15-foot high tower will also be mounted on the roof of the Norwalk Sheriff's station.

All towers will be equipped with obstruction lights and painted to meet FAA lighting and painting requirements, Supervisor Dorn said.

Overall cost of the project has been estimated at $45,260, and it is estimated that it will take 160 calendar days for completion.

County supervisors recently approved and directed the Road Department to implement procedures for allocation of funds under the Federal Urban Highway System Program.

PCC English Dept. Student Awards

Faculty honors, special honors and publication awards in journalism, creative writing, literature and other fields have been announced by the Pasadena City College English Department.

Honors Extraordinary were awarded to Michael Cunningham of La Canada in journalism and Maria Renda of Temple City in literature.

Other winners incudea:

Superior Achievement — Coralie Anderson, Sierra Madre, in English.

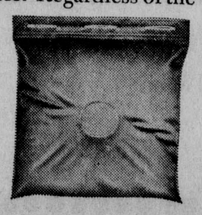
A First Bank Vacation Loan ($500 minimum) means you can take any or all of the amount you borrow in free travelers checks. You'll save money before you even leave on your vacation. What's more, you won't have to worry about your money being lost or stolen.

Keep America clean and comfortable. Regardless of the amount of your loan, we'll throw in a free combination litter bag and car pillow. This handy travel item is vinyl and washable so you can use it over and over. You can use it for litter or it's inflatable as a car pillow. You can also take it to sporting events for a bench cushion or use it to tote wet bathing suits. No vacationer should be without one.



So take a trip today. Fill out the application above and travel to any of the nearly 100 offices of First Western Bank. Tell a First Bancounselor to fill up that free little bag with vacation cash and free travelers checks. As a billion dollar bank, we want to help you get out of town.

The Brownout!

The brownout season is fast approaching, and pressure is being exerted for President Nixon to develop a national energy policy little short of miraculous. The President must make decisions concerning oil imports, the strip mining of coal, the price of natural gas, and the Alaskan pipeline. After these decisions, we must still produce enough energy to meet th nation's escalating needs without damaging the environment. In practice, of course, something will have to give. Secretary of the Interior Rogers C. B. Morton has complained that the environmentalists demand power but tell him, "Don't drill . . . ." near "my coastline and don't build any pipelines across my land."

There is concern at every level of government. This spring Governor Reagan outlined a ten-point environmental policy program of his own. The provisions include the creation of a Department of Environmental Protection (to administer all forms of pollution control), tax incentives to industry (to encourage air quality programs in counties where minimum standards are not being met), and a 1974 "major bond issue" for a long)-range park and beach development. The Governor also encouraged legislation to create a Power Plant Siting Council which will evaluate the environmental impact of power plant sites and approve locations. Legislation would also be necessary to provide coastal protection "without unduly infringing on its economic development." Also, of special significance would be the development of a solid waste program.

The State Office of Planning and Research will soon release a comprehensive Environmental Goals and Policy Report, the basic principle of which is that local government should have the major responsibility for making and carrying out environmental decisions. Governor Reagan said his "balanced, common sense" program will "control pollution and preserve the best of our environment in a way that is compatible with the goals and philosophy of a free society."

The solutions to pollution should be sought by everyone. However, the Governor, recognizing last year's upsurge of partisanship, has outlined this program of one of direction, so that he can preserve the utmost flexibility in dealing with these pressing problems.

In this contextt, there are a number of bills that will merit careful consideration, since they deal with areas mentioned by the Governor: Power plant siting — SB 1195 (Nejedly-R, Walnut Creek) and SB 1310 (Alquist-D, San Jose); solid waste disposal — SB 5 (Nejedly); assistance for air pollution districts — AB 1582 (Biddle-R, Riverside); tax exemptions — SCA 70 (Stiern-D, Bakersfield) and SCA 19 (Coombs-R, Rialto). Consideration of these measures depends, of course, on the final form they will take.

The people themselves were concerned with the issue of pollution by the appearanc of Proposition 9 on Tuesday's ballot. The most controversial proposition before the voters this month was No. 9. Californians rejected the initiative measure with a resounding 3,839,208 "no" vote (64.7%) against a 2,091,416 "yes" vote (35.3%). Without rehashing the arguments concerning this controversial measure, it is important to note that although the proposition failed, the problems of pollution will not go unnoticed or unsolved. It is clear that there is concern at every level of government.

★ ★ ★ ★

Cap Moves Up

Californians know Cap Weinberger as a very effective person in any public office he holds. He long since has proved his capabilities as attorney, assemblyman, chairman of the Republican State Central Committee, State Finance Director.

Now that he has been elevated to the directorship of the federal Office of Budget and Management — succeeding his previous superior, new Secretary of the Treasury George P. Shultz — Cap assumes Cabinet rank, and a great deal more opportunity to carry out his long established belief in restraint on governmental spending.

Director Weinberger is optimistic about the federal fiscal position. He believes that President Nixon's wage-price controls are achieving their goals, and sees reason for hope that they shortly can be dismantled. To achieve that, however, he recognizes we must break up "the ghostly presence of expectations that inflation is going to continue."

He sees the root cause of inflation as being federal fiscal policy, and one of the major answers as providing job opportunities in an expanding labor market, which he believes can be achieved without parallel expanding federal expenditures.

Cap has moved up. And with him, so have our hopes for the nation's fiscal future.

★ ★ ★ ★

Toward Alignment

There has been a great deal of speculation about John Connally's political ambitions. Few doubted he had them, few also knew with any sense of certainty what they were.

His resignation from the Treasury secretaryship has increased that speculation. To Washington observed Joseph Alsop the answer is simple, however. John Connally and President Nixon, he says, have formed a remarkable close relationship, unhampered by any staff restrictions or party bonds. Alsop notes that since Nixon was President Eisenhower's Vice President "one of his grandest ambitions has been to contrive a basic political realignment in the United States." The writer adds that it would be extremely surprising "if President Nixon did not pretty well expect his friend to change parties."

That, Alsop submits, can add up to "something like a political earthquake."

Such a change by a man so long identified with the Democratic party, and so effective as a top aide in a Republican administration couldn't help having a tremendous impact on the whole pattern of U.S. politics, it is true.

Some still ask however, "why now?" Again Alsop has an answer. A "simple" one.

"This was the time he and the President had agreed upon," Alsop holds. "And if you are probably going to change your party, it is better not to be holding an office with the party which you mean to join."

It is a stimulating theory that perhaps the first concrete step has been taken toward the great realignment so many people have talked about.

Hastings Ranch Little League Recap Shows Pirates & Cardinals Hard At It

All the teams in the Hastings Ranch Little League continued a fast pace of action as the season starts to draw to a close for the year.

Majors

Imperial Savings		
Pirates	12	2
Pasadena Federal		
Cardinals	11	3
Operating Engineers		
Yankees	4	10
Air Trol Dodgers	1	13

The Pirates took over first place in the league by defeating the Dodgers 13-9 and 15-2, while the Cards split games with the Yankees, 9-7, 7-8. In the first game of the series Kevin Dunbar was the winning pitcher and Robert Vedda hit a grand slam homer to spark the Pirates. Robert Jacobs was the winning pitcher in the escond game. Russel Walling had a double and 2 singles. Robert Vedaa and Jacobs had two singles each. Mike Maloney had a double and a single. Vedaa was outstanding in the field. Jacobs struck out 7 batters and walked 3 in 6 strong innings for Chuck Hanzo's Pirates.

Jeff Heyenhouse's Cards sparkled again on defense, making 2 double plays in the first 3 innings. Robert Dunling turned in a good pitching performance. Max Pray had 2 doubles. Brian Antonnacci hit a home run for the Yankees. Antonnacci was the winning pitcher in the second game which the Yankees took by scoring 5 runs in the bottom of the sixth inning. Randy Young and John Nyberg turned in strong hitting Fred Merrill had a grand slam homer.

Homeruns: Merrill 7, Hoffman 5, Jacobs 4, Nyberg 4, Vedaa 4, Kafkaloff 3, Dunling 3, Pray 2, Helbing 2, Maloney 2. Antonacci 2.

Minors

Cape Construction		
Athletics	10	3 1
Fisher's 66 Tigers	7	5 2
East Pasadena		
Rotary	5	9 0
Cubs	4	9 1

The A's beat the Cubs both games this week, 15-3 and 15-5. The winning pitchers were Mike Hatcher and Chuckie Wilkinson. Good hitting by Moon, Darrell McPherson, Alpar and Strople added to their wins.

The Tigers and the Royals split games this week, 17-9 and 8-10. In the first game winning pitcher John Parker went 3 innings of no-hit ball. His teammates Mike Feierabend and Gary Padlipsky were 5-5 and 2-2. The Royals beat the Tigers 10-8 in the second game. Bill Crane pitched his way to his The team was lead by Matt first victory of the season. Rogers who went 2 for 4 and Steve White, 2 for 3.

Homeruns: Murray 2, Feierabend 2, Lalor 1, Weinstein 1, Brelin 1.

Farm League

Teamster's Angels	10	3 1
Ponzo's Mets	8	3 3
Schneider Realtor's		
Orioles	3	9 2
Red Carpet Indians	3	9 2

The Mets pyayed the Indians, tieing the first 17-17 and winning the second 11-9. Scott Wilson was 3 for 4. Pete Burns was 4 for 4 and Peter Pastre struck out 7 Indians. The second game was a tough one in which Pas- struck out 7 Indians. The 2 runs in the last inning to win. Greg Hayward went 2 for 2 to assist.

The Angels won both games, 6-2 and 12-2. Wes Guarino and Mike Lofv were the winning pitchers behind good fielding for all the Angels.

Homeruns: Long 2, Pastre 2, Guarino 2, Lofy 2, Mc Pherson 3, Wilson 1, Bottemer 1.

Social Dance Classes Forming

Social dance classes, a rewarding and enjoyable form of recreation, will be sponsored this summer by the Pasadena Department of Recreation. Beginning Monday, June 19, class sessions will be held at the Pasadena City College, women's gym, Room 201.

The "fox trot," "waltz," "tango," "rumba," "cha cha," and "swing" will all be on the agenda for the summer program. Peggy Wardlaw, instructor, will hold a beginning class from 7:15 to 8:45 p.m. and an advanced session from 9 to 10 p.m. Members of the first class are welcome to practice and observe the extra hour.

For further information and registration, contact the Pasadena Department of Recreation, 1501 East Villa St., Pasadena. Phone 793-9177. Nominal fee.

Avoid hot showers after exercising warns the Los Angeles County Heart Asociaation. Follow your exercises with a restful "cooling down" period. Then take a lukewarm shower. Exercising and hot water do the same thing to the blood vessels; they expand, and the heart must pump more blood. After exercising, the blood vessels should have a chance to return to normal.

Angina is temporary chest pain due to lack of oxygen from diminished blood supply to the heart muscle, says the Los Angeles County Heart Association.

KNOW YOUR NARCOTICS

Drug abuse and court reform are the two problems cited most often by Los Angeles County citizens as areas of greatest concern, District Attorney Joseph P. Busch said last week in an appearance in Redondo Beach.

Busch, addressing the Exchange Club of South Bay and the Redondo Beach Optimist Club, spoke of the importance of citizen participation in National Crime Prevention Week, being observed through Saturday.

Several chiefs of police, mayors and other officials from South Bay cities attended the meeting, in the Redondo Beach Elks Club.

"It is the people's justice we are primarily concerned with," Busch said. "As the lawyer for the people, I am most concerned that at atmost concerned that the atflected in the justice process and the enforcement of laws."

Busch said he recently sought to determine public attitudes by conducting two surveys. One was administered by a professional research organization, and the other was done by surveying members of the District Attorney's Advisory Committee, which represents communities throughout the county.

"Both of these surveys returned the overwhelming opinion that the major crime problem in the community involves narcotics and drugs," Busch said.

"And they expressed the opinion that the courts must bear the brunt of public dissatisfaction with the criminal justice system."

Busch said the survey of his advisory committee also showed that drug abuse and ineffective courts were listed as the two main reasons for the rising crime rate. Many responding said persons often committed robbery, burglary and other crimes to obtain money to buy narcotics.

"Aside from drugs," Busch said, "the major law enforcement concerns of the public were governmental corruption, racial tension and juvenile delinquency."

The runner-up to court reform in citizen recommendations for criminal justice improvements was the upgrading of law enforcement, including better pay, more recruitment of officers from minority groups and improved community relations.

The district attorney said that, while he does not agree with all the citizen recommendations, he was "heartened by the depth of public concern revealed by this research."

"Clearly, every citizen of this county is seriously concerned about law enforcement," he said, "and there is a degree of unanimity which is unusual in public attitudes toward social issues.

"The public is mandating its elected officials to effectively meet the challenges to public safety and justice, and, as district attorney, I am delighted to accept that mandate."

Pasadena Radio Club Participates In 'Field Day'

The Pasadena Radio Club will take part this weekend in the annual Amateur Radio "Field Day"; a combined contest and emergency test, sponsored by the American Radio Relay League, national association of amateurs in the United States and Canada.

The purpose of "Field Day" is for each group to move into the field and install emergency stations, using electric power supplied by gas-driven generators. Each group establishes two - way communication with as many other amateur radio stations as possible during the 24 hour period. More than 1300 groups with more than 12,000 operators take part in this exercise in the United States and Canada.

The club, under the able leadership of Bob Cole (K60MU) will enter the "Three Transmitter" class, using the club call W6KA. There will also be a Novice transmitter. For further information, as to the location of the installation, how to get there, or any other information call Bob at 798-4725.

Camp Fire Girls' Summer Activities Now In Full Swing

The summer of '72 means new and exciting outdoor activities for the San Gabriel Valley Council of Camp Fire Girls. In an effort to bring better camping programs to more girls, the Council has embarked on several cooperative camping ventures for the summer season.

At the Council's resident Camp Wasewagan, a pilot project with the Glendale Crescenta Valley and Burbank Councils of Camp Fire Girls is underway. By an agreement reached in November 1971, these three councils will be using one resident camp, instead of each operating their own at less than full capacity. San Gabriel Valley's Wasewagan, located 5300 feet high in the Barton Flats area of the San Bernardino mountains, was chosen as the site after a study of all three council camps. The other two councils will rent their facilities to other organizations this summer while their membership will be camping at Wasewagan.

The camp program will run eight one-week sessions, from July 1 to August 28, all of which are already filled to capacity. Girls from the ages of 6 to 17 years will have the opportunity to share outdoor adventure with new and old friends, guided in their activities by college-age counselors. The diversified program includes nature crafts and activities, sports and games, horseback riding, music, drama, dance, campcraft, hiking and a waterfront program at nearby Jenks Lake and at poolside.

Junior high and high school girls have the opportunity to participate in one of four specialty sessions which include creative arts, water sports, horsemanship and outdoor living-back packing. In addition, high school sophomores and juniors who have already learned the fundamentals of good camping and who are interested in future camp counseling will be participating in the Counselor-in-Training Program.

In addition to its resident camping program, the San Gabriel Valley Council will be offering two special trips for older girls. Forty junior high and high school girls, accompanied by a staff member, will be travelling to the Circle K Ranch in Dolores, Colorado, this month for 10 days of riding, hiking and trout fishing. On the way to the ranch the girls will stop for breakfast at the Grand Canyon and, once at Circle K, will take side trips to Mesa Verde National Monument, Telluride, a livestock auction and several Indian trading posts.

The girls will receive special instructions in riding, bridling and grooming, and will be packing in on horseback for an overnight trip. Although sponsored by the San Gabriel Valley Council, this is also a joint council venture, as girls from Glendale - Crescenta Valley Council are participating as well.

Next September junior high and high school girls and their advisers will again have the opportunity to spend a weekend at Camp Cherry Valley on Catalina. This is a repeat of last year's successful trip to the Boy Scout-operated camp, where the girls enjoyed swimming, snorkeling, canoeing and rowboating. The group of approximately 150 will travel by water taxi to the isthmus on Catalina and hike to the camp for 2½ days of outdoor group camping. Again, the San Gabriel Valley Council will make this trip available to members of neighboring Camp Fire councils.

The San Gabriel Valley Council is also operating a day camp at its in-town site, Camp Chiquita. This summer, five one-week sessions of both daytime and twilight camps have been planned for all interested girls (6 through 12 years of age) members and non-members, living within easy driving distance of Camp Chiquita. The session dates are June 19-23 from 9:30-2:30 p.m., June 26-30 from 9:30-2:30 p.m., July 3 - 7 from 3-7:30 p.m., and August 28-September 1 from 3-7:30 p.m. The program has been specially designed to stimulate awareness and appreciation of beauty and design in nature with nature hikes and bird watching sessions as well as a study of the stars planned for the one (optional) overnight of each camping session. There will also be a concentration on creative expression through such activities as batik, silk screen printing, macrame, creative dance and dramatics. Physical fitness will be stressed with fun gymnastics, yoga exercises and such sports as archery, croquet, volleyball and swimming.

Campers enrolling for the week of July 3-7 will have an extra treat since parents and family members will be invited to bring a picnic lunch to Camp Chiquita anytime after 6:30 p.m. on July 4th. Games and sports are planned for the family until dusk whereafter fireworks may be viewed at Chiquita in the Rose Bowl below. There are still openings for campers and adult counselors (who may register one daughter free). For information call 796-9156.

Heart patients, suffering from critical injuries (burns, accidents, respiratory failure) receive special care and treatment as a result of training programs for hospital emergency personnel by the Los Angeles County Heart Association.

Pasa. Red Cross To Aid In Help To Flood Victims

Carl H. Hoelscher, chairman of fund raising for the Pasadena Chapter, American Red Cross, said today the Chapter has been asked to participate in a nationwide campaign to raise five million dollars to aid victims of the Rapid City, South Dakota flood disaster.

Hoelscher reported that Red Cross disaster relief funds have been almost exhausted by the series of floods, tornados, fires and earthquakes which have occurred during the past year in the United States and other countries, making it necessary to ask for contributions to replace these funds to help provide shelter, food and clothing for flood victims in Rapid City and surrounding areas.

"The Red Cross is on the scene," Hoelscher said, "with shelters already open, caring for those made homeless by the floods. Food, clothing, fresh water, milk, baby food, diapers and other necessities are being provided, but many of these families will need a great deal more help, as they have lost everything."

Reports to date show more than 6,000 families were affected by the Rapid City disaster — 4,000 homes were destroyed or seriously damaged by the raging torrent, as were some 600 to 900 mobile homes.

"Contributions marked for Rapid City and mailed to the Pasadena Chapter, American Red Cross, P.O. Box 399, Pasadena 91102 will be forwarded, in their entirety, to aid the flood victims," Hoelscher said.

Peter Hoffman Is A Graduate

Peter C. Hoffman, a son of Mr. and Mrs. Lathrop G. Hoffman, 131 E. Orange Grove, received an undergraduate degree from the University of Notre Dame in commencement exercises May 21.

Hoffman majored in aerospace engineering at Notre Dame.

More than 1,700 degrees were awarded at the University's 127th commencement, and Dr. Kingman Brewster, Jr., president of Yale University, gave the commencement address.

People-To-People Travellers To Embark From Los Angeles June 25

Twenty-two youths from cities throughout the San Gabriel Valley are looking forward to a tour of Europe, under auspices of the People to People High School Student Ambassador program. Under the leadership of Mrs. Helen Hustedt of Sierra Madre and Mrs. Margaret Terry of South Pasadena, they are leaving Los Angeles on June 25, assembling in Washington, D.C., with other groups and departing for six weeks in Europe on June 27. Five of the youthful participants are Dan Ribbens and Laurie Hustedt of Sierra Madre, Dave Moore and Mary Sue Gartner of Hastings Ranch and Erik Linnes of Arcadia.

People - to - People High School Ambassador program is a project especially designed for high school students who are genuinely interested in people of other countries. This is the tenth annual People - to - People High School Student Ambassador program to Europe to be sponsored by the Educational Travel Institute and People-to-People International.

Briefings will be given in Washington, D.C. by United States State Department officials and members of the Educational Travel Institute on what to expect in the countries the young people will be visiting.

Upon arrival in Europe the students will divide into traveling groups of approximately 30 students and three adult leaders. These Ambassadors will visit England, France, the Netherlands, Germany, Switzerland, Italy, Greece, Turkey, Yugoslavia and Austria. In England, Greece, Austria and Holland the young people will have the privilege of being resident guests in private homes For four or five days the Student Ambassador is a full fledged member of his adopted foreign family.

Adult leaders for the groups, all of who are teachers, have been recommended by school officials. They

Private Services For Mrs. Caldwell

Private services were held on June 15 for Mrs. Doris Packard Caldwell, age 71, who passed away at her home, 640 W. Montecito Ave., after a brief illness.

Doris was a native Californian, coming to Sierra Madre some five years ago. In passing she leaves her husband of the home address, Joseph A. Caldwell; a daughter, Joan Caldwell of Orange and a brother, Cpt. Alden Packard, USN Ret., Newport Beach. Services were held at the Pasadena Mausoleum.

A Report From Sen. Richardson

Advantage For Criminals In Our State Institutions

I want to tell you about three particular pieces of legislation I carried before the Senate Committee on Judiciary on Friday, June 9th. On that day I presented five bills. Fortunately, two of them passed. Let's talk about the ones that did not.

The first is Senate Bill 829, which refers to the release of inmates prior to serving their minimum sentence. I don't know if you good people of California know it, but there are a whole lot of ways that a person who is incarcerated in one of our state institutions can get out earlier.

First of all, let me tell you how difficult it is to get in. If you commit a felony in the State of California, your chance of going to prison is less than one in a hundred. If you get caught and arrested your chances are little more than two in a hundred of ending up in a state institution, and if you are convicted of a felony, your chances are less than ten per cent of winding up behind bars. So you see, crime DOES pay and the percentages are pretty much in favor of the criminal.

Now if you are unlucky enough to be one of those who winds up in an institution — one out of every hundred — the time you are going to be there is less than 36 months, usually. But, they have a whole bag of tricks whereby you get out of prison quicker than that. They have six-month work-furlough programs, 72 hour passes, or they can send you to some minimum security facility where the punishment is less difficult. Go out to Chino and look at the nine-hole golf course they have there. If you don't believe that, write to my office and I'll send you a photograph of it.

Anyway, my little bill was to try and cut in on the 72-hour pass programs, and the work-furlough programs. Why? Because they have been a dismal, utter failure. These criminals are turned out of the institutions six months before they finish their sentences, getting them back into the community very quickly. In the City of Pomona, they had 23 arrests of people out on work - furlough programs who committed further acts of violence. If you live in Orange County, you will remember the murder that took place there of a school teacher, killed by one of these people on a work-furlough. So I put in a bill to end this kind of stupidity. It was defeated.

Oh, by the way, if you are incarcerated in prison, and you want to go to college, they are actually setting aside a certain number of enrollments, so if you have committed a felony in California and are incarcerated in a state institution, you can go to college. Now you might not get in if you are an A average student, but if you are a prisoner there are some institutions where you will be welcome. Would you believe it? So I put in a bill to try and stop these abuses and the bill died, because it seems it's too tough on the criminal.

Let's talk about the next one I lost. SB 308. I believe a person should serve at least the minimum sentence. You may not realize this, but today when a person is sentenced to five years to life, that doesn't mean five years — not at all. He is eligible for parole in just 20 months. He also gets advantage of "dead-time" or the time he served in county jail so it's not an impossibility that he could actually be incarcerated, convicted of a felony, and if he's one of the unfortunate few who actually gets sent to one of the state institutions, he can find himself out on the street at less than one-third of his minimum senence. My bill would have said they should serve minimum sentence before parole. But the bill was defeated in committee.

The last of the three that went down to defeat was SB 430 on revocation of parole. You know that when a man is out on parole, it means that he has more time to serve, but we're putting him back on the streets before his time is up to go back in your community because he's a good boy and that he's rehabilitatable. My SB 430 said that if this person on parole commits another felony — a major crime — or an act that can be deemed to be a felony, and he is convicted of the second felony in court, he would have to go back to prison to finish his first sentence. You may well ask if that isn't now the procedure. It is not. Can you believe it! Well, SB 430 said that if you commit another felony after the first then back you go to prison. That bill lost, too. Now you might be wondering why you, the citizen, are getting the short end of the deal from the criminal element, or why I get so angry on this subject. There are human beings bleeding in the streets of California because of this foolishness. Every five minutes another seven crimes are committed in California. Major crimes. If you don't like living under this kind of threat, look at how your legislator votes. If you want tough law enforcement — real law enforcement — see that your legislator votes for tough legislation or replace him.

Pre-School Class Seven Locations

Pasadena City College's free parent-education pre-school classes, combining nursery school for youngsters and group discussions for their parents, will be held on Tuesday, Wednesday and Thursday mornings for a six-week summer session beginning Tuesday, June 20, at seven San Gabriel Valley locations.

Classes will be held from 9 a.m. to noon at the following nearby locations: Sierra Madre: Park House, 204 Hermosa Ave. and Arcadia: Santa Anita School, 1900 S. Santa Anita Ave.

Parents may enroll in the classroom on the first day. For further information they may call PCC's Parent Education Department at 795-6961, Ext. 357.

Harold M. Stoll Given Award

The State Scholarship and Loan Commission announces with great pleasure the selection of State Graduate Fellows in the redesigned Graduate Fellowship Program.

Included from Sierra Madre was Harold M. Stoll, of 79 E. Highland Ave., Apt. J, at Cal Institute Tech.

Supervisors Move For Road Funds

Supervisor Chairman Warren Dorn explained that the Federal Highway Act of 1970 appropriated Urban Funds over a two-year period. These funds are earmarked for projects of area-wide importance in urbanized locations of over 50,000 population.

The funds can be used on a dollar-for-dollar matching basis for right of way acquisition and construction of street and highway projects on a very limited Urban Highway System or for fringe and transportation corridor parking facilities.

Dorn added that the State Director of Public Works, on the advice of the Urban Fund Advisory Committee appointed by the Governor, has recommended that the currently appropriated Federal funds be allocated to the 25 counties within whose boundaries urban areas exist.

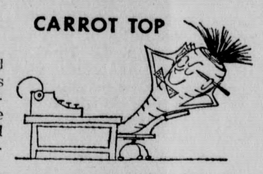
An estimated total of about $5,600,000 will be available within Los Angeles County for each of the two years for which Congress has appropriated funds.

Summer Day Camp In S. M.

A new form of summer day camp has begun at the Sierra Madre Parks and Recreation Department located at Sierra Vista Park in Sierra Madre. In sessions of two week periods children may learn from Mother Nature, perform art and craft projects, learn music appreciation and dance, take a horseback riding lesson, learn to swim, and engage in outdoor sports. The program offers several choices of four hour classes, either in the morning from 8 a.m. until noon; from 10 a.m. until 2 p.m.; or from noon until 4 p.m. During the summer, six of the two week periods have been planned to offer the greatest choice possible for those families who plan vacations. Sessions begin on June 19. The cost of the two week session is only $23 and registrants may register by mail, phone, or in person. Registration will be taken at the Recreation Center located at 611 E. Sierra Madre Blvd., 355-7275 from 9 until 4 weekdays and from 1 until 4 weekends.

The Parks and Recreation Department hopes that many children will want to sign up for several sessions which will allow their parents to participate in other programs planned by the department.

CARROT TOP



takes a long time, he's slow. But when I take a long time, I'm thorough. When the other fellow doesn't send in his reports, he's lazy. But when I don't do it, I'm too busy. When the other fellow does something without being told, he's overstepping his bounds. When I do, that's initiative!

"When the other fellow sells with a hard-sell pitch, he's using high pressure. But when I do it, I'm being firm. When the other fellow pleases the boss, he's polishing the brass. But when I please the boss, that's cooperation. When the other fellow overlooks the rules of etiquette, he's rude. But when I skip a few rules, I'm original. When the other fellow gets ahead, he's getting breaks. But when I manage to get ahead, it's hard work."

— CT —

Businessman: "My wife doesn't care how good-looking by secretary is as long as he's efficient."

— CT —

Having some difficulty with his tie, the chap dressed in formal attire, ran into the street and asked the first man he met to help him.

"Sure," said the stranger, "I can tie it. But you've got to lie down."

"Lie down?" was the mystified query.

"Yes. You see, I'm an undertaker."

— CT —

Salvation Army Worker: "Would you please donate some money to help carry on the Lord's Work?"

Drunk: "Ye Gods! Is the Lord broke, too?"

— CT —

A pious and venerable man, having lived a long and useful life, died and went to his reward. Years later his old friend also died and upon arriving in the other side went searching for his old friend. To his delight, he found him sitting on a large fluffy cloud with a beautiful blonde on his lap.

"Wow!" shouted the friend, "you sure have been given your reward!"

"Reward, nothing," replied the old man, "I'm her punishment."

— CT —

Didja hear about the preacher who doubled his congregation by putting the following on the front lawn notice board — "Sacred Agent 007."

In closing the column for this week I have a couple of good thoughts for you . . . "Giving free enterprise a chance to furnish fuller and more stable employment would help solve to a remarkable degree such problems as poverty, delinquency and certain phases of civil rights." . . . and

— CT —

"Freedom is not a gift and is not free. Freedom is attained only by long and bitter struggle by informed, intelligent, and courageous men against entrenched greed, vice, corruption, and power . . . " Now that the election is over we can turn our thoughts to rebuilding the political fences that have been torn to shreds, I hope, I hope, I hope.

The arrival of an ambulance with sirens scheeching and with strange equipment and personnel, and frenzied activity, can literally frighten a heart attack patient to death. Cardiovascular nurses are being trained to help patients cope with these situations, states the Los Angeles County Heart Association.

'Immobile' Mobile Homes Being Sent New Tax Bills

Los Angeles County Assessor Philip E. Watson announced recently that the Tax Collector began mailing property tax bills this past week to owners of immobile mobilehomes.

The Assessor said that approximately 30,500 bills will be mailed in the initial group which began June 14, while 4,000 additional bills will be mailed as they become finalized through the end of June.

Watson pointed out that of the 30,500 mobilehome property tax bills presently finalized, 6125 or 20 per cent, amounted to $15 or less. The assessed value ranged from a low of $100, to a high of $4400.

The Assessor commented that the total assessed value for mobilehome properties amounted to $36,211,900, but he pointed out that of that total, $10,461,335 was granted in reduced assessments because of the $750 Homeowner Exemption and the $1000 Veteran Exemption. "That leaves a net assessed value of $25,450,565 which will generate 4.5 million dollars in revenue for local agencies of government in Los Angeles County," Watson said.

Breaking down the exemption statistics, Watson stated that $9,695,465 was granted to those filing a Homeowner Exemption claim, while Veterans Exemption claims accounted for $765,870 in reductions of assessed value. Watson continued, "Although the response was extremely favorable regarding the Homeowner and Veteran Exemptions by members of the modular housing community, we are still seeking legislation for extension of the claim period to August 15, instead of the normal April 15 deadline."

The deadline for payment of the 1972-73 tax bill on mobilehomes is August 31.

Local Students Among Grads At Occidental

Occidental College's graduating class, the largest in the school's history, heard Counsellor to the President Robert Finch call for a better job of communicating among nations if the community of nations is going to survive.

Forty-nine members of the graduating class joined the Delta Chapter of Phi Beta Kappa because of academic achievment during their years at the college.

Presiding at the ceremonies was Dr. Richard C. Gilman, president of the college, assisted by Deans Dr. Robert S. Ryf and Robert Bovinette.

Leonard Janofsky, president of the Occidental board of trustees, reviewed the school year.

Graduating from Sierra Madre were: Lawrence J. Stenek, philosophy, son of Mr. and Mrs. William Nicholson, 491 W. Montecito; member, sailing club; football team; graduate, Morro Bay High School, and Margaret A. Shadforth, political science, daughter of Mr. and Mrs. Robert Shadforth, 400 W. Montecito; member, Zeta Tau Zeta social sorority; member, Tiger Tails, sophomore women's honorary service organization; recipient, International Study Fellowship to study the role of the French Journalists' Association in France, 1970; graduate, Pasadena High School; will continue at Occidental for a secondary teaching credential.

Summer Aids Volunteer School Reading Instruction

This summer four instructional aides from Don Benito Primary School and one from Noyes Primary School will volunteer to tutor elementary children in reading.

Christ the Shepherd Lutheran Church, 185 West Altadena Drive, Altadena, Calif. 91001, will offer their facilities for the tutoring classes and provide a tutoring coordinator. Pastor H. Reenstjerna invites all interested parents to call Mrs. Vera Bautch, the tutoring coordinator at 798-3073. He emphasizes that the classes are free and open to all children who are grades 1-3. Each child will be tutored on a one-to-one basis five days a week for a six-week period.

This volunteer tutoring program is a direct outgrowth of a very successful tutoring program under the ESAP program in the Pasadena Unified School District. Each instructional aide who is a volunteer has been trained and has tutored children in this program in the past year. Many of the tutors expressed a desire to continue tutoring the children throughout the summer since the children had made such terrific gains in the past year.

The instructional aides who will volunteer this summer are: Mrs. Marlene Washington, Don Benito School; Mrs. Virginia Burton, Don Benito School; Mrs. Jane Bates, Don Benito School; Mrs. Maureen Schoepke, Don Benito School; and Mrs. Lela Phillips, Noyes Primary School. Mrs. Jeannette Cornish, a reading teacher at Don Benito, has been responsible for facilitating the organization of the summer program.

Any interested tutors in the Harper - Row Tutorial Program in the Pasadena Unified School District who would like to volunteer one or two days a week please call Mrs. Bautch, 798-3073.

Four College Students To Do Missionary Work Abroad

by Miss Bonnie J. Brown

Four college-age young people are going abroad this summer for missionary work under the sponsorship of Bethany Church, 93 North Baldwin Avenue.

Three will work with the Sudan Interior Mission for a period of three months under a missionary internship program initiated this year by Bethany Church for its college-age Ambassador class, and one will work for six weeks with World Gospel Crusades.

Rod Talley, 19, of Sierra Madre leaves for Addis Ababa, Ethiopia to work in a student house near Haile Selassi I University. Rod is in his second year at Pasadena City College majoring in optometry and plans to attend Cal Poly when he returns in the fall.

Chris Gordon, 24, of Sierra Madre will take the position of business manager at ELWA, a radio station in Monrovia, Liberia, owned and operated by the Sudan Interior Mission. Chris graduated from the University of California at Berkeley in December of 1970 with a Bachelor of Scince degree in business administration.

Terry Slaughter, 19, of Pasadena also goes to station ELWA. She will teach typing to high school Liberian girls and may do some hospital work. Terry is a nursing major graduating from Pasadena City College this June. She will attend Long Beach State College this June. She will attend Long Beach State College upon her return.

These three young people leave together by jet to Washington, D.C. on June 20.

The purpose of the internship program is is allow the students to experience the rigors of missionary life and to aid them in discovering whether God would direct them toward work on the mission field.

The Sudan Interior Mission operates in East and West Africa to present the claims of Christ to the Africans and to establish indigenous churches which reach their fellow countrymen with the Gospel.

LaVawn Baker, 18, of Monrovia, a psychology major at Azusa Pacific College, will work in Tagucigalpa, Honduras with World Gospel Crusades for six weeks. LaVawn will drive to San Antonio, Texas, on June 15 with five other students from the college and meet with other sutdent groups going to Tegucigalpa.

They will pass out the Gospel of John door-to-door, work in youth camps and possibly go into the back country and work in a poverty area.

They will work with missionaries in Honduras and hopefully be teamed with nationals their own age.

The stated purpose of World Gospel Crusades is "to spread the Gospel throughout the land."

All three countries to which the students will go have their rainy season during the summer months.

Addis Ababa receives about 25-80 inches of rain during the year, although it has relatively moderate temperatures dues to its 8200-foot elevation.

Monrovia is hot and humid, being along the coast with 150-200 inches of rain a year.

Tegucigalpa is at 3200 feet and is temperate in climate.

Although nine students from the Ambassador college class applied for the internship program, only three were chosen because of the experimental nature of the project.

If everything goes well, the mission board at Bethany Church plans to send a larger number of college students to the field next summer.

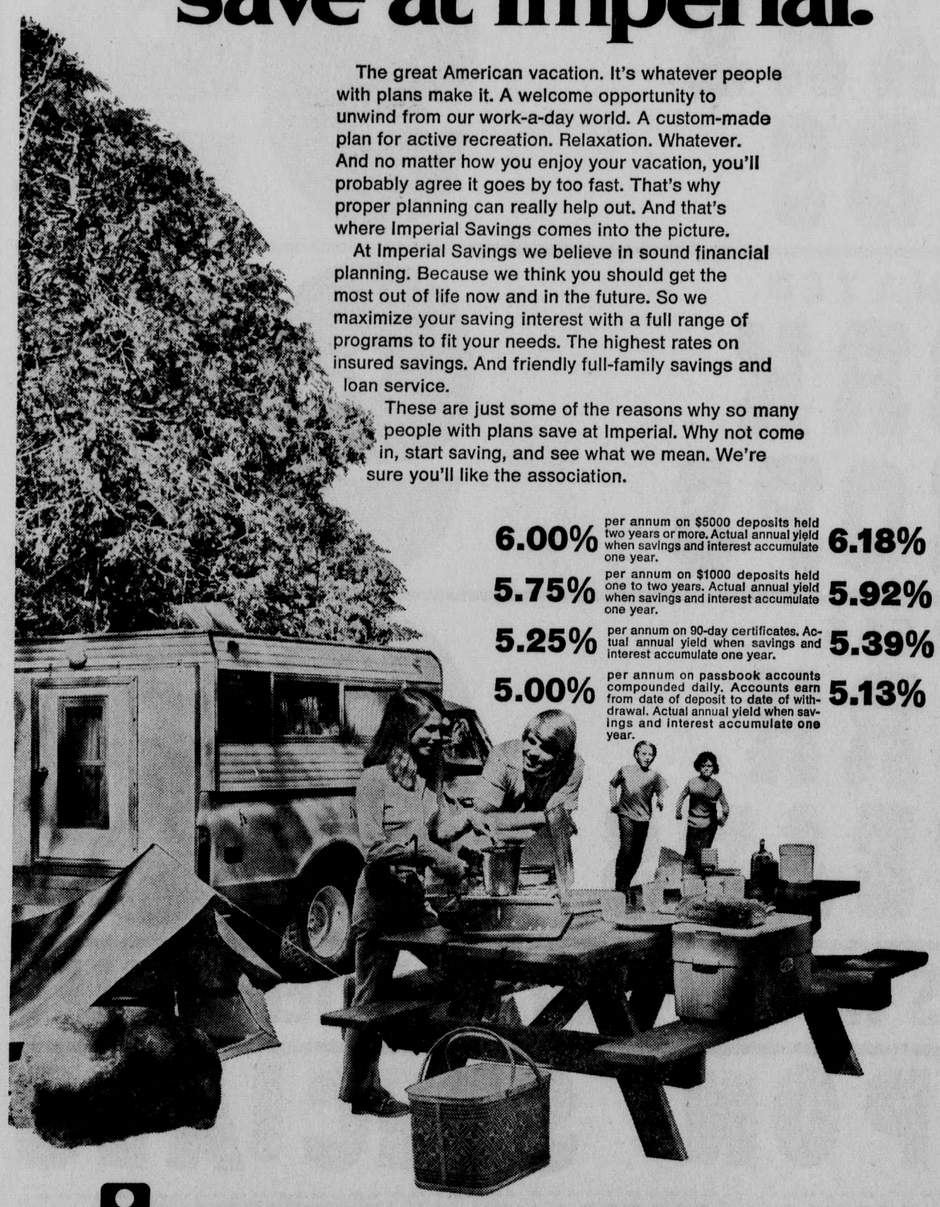
People with plans save at Imperial.



The great American vacation. It's whatever people with plans make it. A welcome opportunity to unwind from our work-a-day world. A custom-made plan for active recreation. Relaxation. Whatever. And no matter how you enjoy your vacation, you'll probably agree it goes by too fast. That's why proper planning can really help out. And that's where Imperial Savings comes into the picture.

At Imperial Savings we believe in sound financial planning. Because we think you should get the most out of life now and in the future. So we maximize your saving interest with a full range of programs to fit your needs. The highest rates on insured savings. And friendly full-family savings and loan service.

These are just some of the reasons why so many people with plans save at Imperial. Why not come in, start saving, and see what we mean. We're sure you'll like the association.
